

KANSAS DISTRICT CHURCH OF THE NAZARENE

HARVEST

Bulletin Edition
Vol. LXXVIII Issue 2
May June July 2012

The District Assembly is always an important time for us. It is a moment of reflection, accountability, reporting, vision casting, inspiration and spiritual commitment. Last year one of our newest Nazarenes from a Wichita church who had never been to an assembly walked away saying that every member of the Church of the Nazarene in Kansas should be there. His observation was that he'd never experienced anything like it. We are planning for a special time with you in mind. The evening services Sunday, Monday and Tuesday promise to be powerful moments of renewed revival. Hope to see you there.
